

COCKROACH PREP SHEET

(Periplaneta Americana)

Dear Residents,

Here are a few steps to help eliminate any issues. Your cooperation is greatly appreciated.

- Empty all items from under kitchen and bathroom sinks.
- Completely empty kitchen cupboards.
- Remove all food and items from the cupboards. You may place food covered with a plastic sheet on a table.
- Anything that is on the floor needs to be picked up as much as possible and moved away from the walls.
- Take out all trash.
- Unit needs to be vacant for a minimum of 1 hour to a maximum of 4 hours after treatment is complete. Treatment application time varies per unit.

PET SAFETY-Remove food and water from dishes and wash with warm soapy water after treatment. All pets need to be removed.

FOOD SAFETY-Any surfaces that are eaten on or used for food preparations ex: (countertops, stoves cutting boards) if left out, needs to be washed with warm soapy water.

Sincerely,

Complete Pest Control
